

# Fly me to the Moon

**FREE Online Science Storytelling for EYFS - for World Space Week 2022  
Friday 7 October 2022 At 9.30am GMT. With BSL interpretation**

**Hosted by Settle Stories**

[https://www.settlestories.org.uk/whats\\_on/fly-me-to-the-moon-science-storytelling-performance-for-eyfs/](https://www.settlestories.org.uk/whats_on/fly-me-to-the-moon-science-storytelling-performance-for-eyfs/)

**Join** ... the Little Skunk on an amazing adventure to the Moon and back!

**Discover** .... why the Moon changes shape in the Sky

**See** .... what the Moon is made of.

Will it be made of cheese?

**Join us on an amazing scientific storytelling adventure to the Moon and back!**

**It is FREE for all EYFS settings and schools - and for children and carers at home.**

**Fly Me to the Moon is:**

**A sensory science storytelling performance made especially for Early Years audiences  
And for children with Additional Needs of any age**

**Told in song, sign and story - with an amazing array of textile props**

Co-created by Cassandra Wye, Storyteller and Moraig Hewitt, Textile Artist

*"Fly me to the Moon – such a wonderful mix of story, learning and amazing props! The children absolutely loved it and were engaged with this imaginative storytelling adventure throughout!"*

**Claire Harris, Bristol Libraries**

**Please book in advance as places are limited**
